

TEMPLE UNIVERSITY
DEPARTMENT OF CHEMISTRY

FULL / ASSOCIATE / ASSISTANT PROFESSOR
TENURE TRACK
FALL 2017

The Department of Chemistry at Temple University invites applications and nominations for a tenure-track faculty position at the Full/Associate/Assistant Professor level in one of the following areas: Synthetic Organic Chemistry, Chemical Biology, and Biochemistry. Applications for Assistant Professor level positions should include a CV, statement of teaching and research goals, a proposed research plan, and three letters of recommendation. Applications at the Associate or Full Professor level should provide a CV, names of at least five references, and selected reprints.

Applicants are expected to demonstrate a strong potential for establishing a vigorous research program funded by peer-reviewed research grants and for developing excellence in teaching.

Application materials should be submitted electronically at <https://academicjobsonline.org/ajo/jobs/8923>. Applications submitted by April 28, 2017 will receive full consideration. The Department specifically invites and encourages applications from women and minorities.

Temple University is an equal opportunity, equal access, affirmative action employer committed to achieving a diverse community (AA,EOE,M/F/D/V).
